## Professional Experience

### **Software Developer** - *Lowe's Companies, Inc.*

June 2014 - Present | Charlotte, NC

- Agile environment
- Responsible for developing applications primarily for AutoCAD in C#
- Designed and implemented an AutoCAD plugin updater utility, which enabled the 100+ AutoCAD users to receive notifications for new releases and allowed them to apply updates themselves, instead of having to wait on IT
- Implemented and enabled continuous integration/continuous delivery pipelines for 15 of my team's Java and C# applications
  - Created and maintained all Jenkins build jobs for my team, using Groovy/DSL scripts
  - Configured build scripts and build frameworks (Maven, PowerShell, Unix Shell)
  - Configured package managers (NuGet, Maven)
- Led my team in our migration to git as primary SCM
  - Configured repositories (Atlassian BitBucket)
  - Implemented branching and merging strategy
  - Created training sessions and materials for developers
- Team SME on automation - Jenkins, Maven, applications deployments
- Maintained and developed new features for internal web applications (Java/WebSphere, C#)
  - SQL tuning; HTML, CSS, JavaScript, corrections; Other code quality improvements

### **Assistant Technology Support Analyst** - *Appalachian State University Library*

January 2012 - May 2014 | Boone, NC

- Assisted system administrator with the upkeep, maintenance, and upgrading of ~10 Linux servers
- Responsible for imaging Windows and Mac desktop and laptop computers
- Deployed new and replacement desktop and laptop computers for public use
- Assisted in maintaining the integrity of all public/staff computers (hardware and software) and peripherals
- Provided help desk support

### **Other Work Experience**

*Chick-fil-A*

April 2010 - December 2012 | Hendersonville, NC

- Developed communication skills and team work
- Front counter and drive-through cashier; kitchen

*Federal Work-Study* - *Blue Ridge Community College Library*

October 2009 - May 2011 | Hendersonville, NC

- Circulation desk, book shelving, basic computer support
